

## Bruce Cisler

Bruce is a Business Services Specialist with Lakeshore Advantage. He utilizes his extensive experience to aid area businesses in their pursuit to grow.

Bruce spent 36 years in the automotive supply base capitalizing on his technical knowledge in tooling, plastics, and manufacturing. The last 23 of those years Bruce was with Johnson Controls selling to automotive companies around the world and leading teams providing cradle to grave projects.

Bruce has an Associates Certificate in Technology. When Bruce is not working at Lakeshore Advantage you'll find him golfing, boating with his wife, Cindy, enjoying time with his family, or traveling.
